### **Schedule A: Consent to Use of Personal Information**

Private career colleges (PCCs) must be registered under the *Private Career Colleges Act, 2005*, which is administered by the Superintendent of Private Career Colleges. The Act protects students by requiring PCCs to follow specific rules on, for example, fee refunds, training completions if the PCC closes, qualifications of instructors, access to transcripts and advertising. It also requires PCCs to publish and meet certain performance standards, e.g., percentage of graduates who obtain employment. This information may be used by other students when they are deciding where to obtain their training. The consent set out below will help the Superintendent to ensure that current and future students receive the protection provided by the Act.

I, \_\_\_\_\_ allow AAPS to give my name, address, telephone number, e-mail address and other contact information to the Superintendent of Private Career Colleges for the purposes checked below:

- To advise me of my rights under the *Private Career Colleges Act, 2005* including my rights to a refund of fees, access to transcripts and a formal student complaint procedure;
- To determine whether AAPS has met the performance objectives required by the Superintendent for its vocational programs.

I understand that I can refuse to sign this consent form and that I can withdraw my consent at any time for future uses of my personal information by writing to: **Attention: Academic Dean, AAPS, 885 Sheppard Ave W, Toronto, ON M3H 2T4**. I understand that if I refuse or withdraw my consent the Superintendent may not be able to contact me to inform me of my rights under the Act or collect information to help potential students make informed decisions about their educational choices.

I consent to use of collection and use of personal information as a result of many activities that occur regularly in the college community, such as the use of individual and group photos, the listing of honor rolls, and the use of names and pictures in newsletters.
